Other comments about this particular job and/or suggestions about how we could improve:

I was VERY pleased with the job performance. The only mishap was the permit approval - There was a little confusion - Elec. inspector was not scheduled - Thus causing the mechanical inspector to do two visits to complete the inspection. However, the mishap was quickly redemied. So, I'm truly a happy customer!! 😊

P.S. Steve, the salesperson, did an outstanding job!! Very patient & thorough!
